Episode 5 is an interview with Dr Robert Conville (@robconville) who shares his experiences of working in Australia with a BDS degree from the UK.

This episode's protrusive dental pearl is about how to get perfect moisture control for those difficult class V restorations.

This episode covers:

Visas and the recent change in codes

Sponsorship

AHPRA

Finding an Employer

How to look for a job

Do you need a Chest X ray?

Entrance exams?

How do the dental care system and health funds work out there?

What is the remuneration and earning like as a Dentist in Australia?

Applying for permanent residency

Experiences in Australia

Work, Travel and Living in Australia

Dentistry.co.uk article written by Rob
